FOR IMMEDIATE RELEASE

**Fort Mill Southern Bypass Advisory Committee Public Input
Meeting Planned**

The Fort Mill Southern Bypass Advisory Committee will hold a public input meeting on Thursday, July 11th, from 6:00 to 8:00 pm at the Spratt Building, 215 Main Street.

During the meeting residents can view project maps and learn more about construction progress of the Fort Mill Southern Bypass. The drop-in meeting is also an opportunity to solicit public input on a VISION for the future bypass corridor, including:

- Types, location and intensity of future development
- Design guidelines for future development
- Future parks, trails and public amenities
- Protection of environmental and natural resources
- Infrastructure and facility needs (police, fire, water, sewer, etc)
- Minimizing future traffic impacts
- Other related issues

Public comments will be used by the Fort Mill Southern Bypass Advisory Committee in developing a master plan and possible overlay district for the future bypass corridor. Members from the Bypass Advisory Committee, town staff, and the consultant will be on hand to hear feedback and answer questions from attendees.

Anyone who is unable to attend may email their comments to jcronin@fortmillsc.gov.
